FREE RESUME ENGINE AND SKILLS TRANSLATOR

Help potential employers understand how the skills and experience you've gained as a service member make you a great employee. The Personal Branding [Resume Engine™](#) will translate your military record into a strong resume that civilian employers can understand. Once you complete your resume, you can make it viewable to thousands of employers using the Resume Engine looking for qualified job candidates.

CAREER MENTORING

eMentor is an award winning online mentoring program for military personnel, veterans and military spouses. eMentor connects individuals for dynamic mentoring experiences that powerfully equip them with the career transition advice, skills and resources needed to advance in their personal and professional lives. Our mentors include current and former military peer mentors as well as partners from the public and private sectors who participate as career mentors in the program to fill a critical need in providing industry specific, functional area information and advice our program participants in career transition seek.

There is no cost for military personnel, veterans and military spouses to participate in the eMentor program. [Become a mentor or protégé today.](#)

TRANSITION ESSENTIALS GUIDE

MOAA's Transition Center experts have lived through their share of transitions and they can help you deal with what you're facing now.
